### 1.2 Business Vision

"When Experience Resonates, Travel Becomes Unforgettable."

Resonate Tour is more than a travel company — we are a premium Experience Curator bridging Korea and the United States. The name '결 (Resonate)' means to vibrate, to echo, to move deeply — and every journey we craft continues to resonate long after our clients return home.

Through the Resonate Tour brand, Resonate Club Inc. delivers world-class California golf experiences to Korea's discerning golfers, with future expansion into K-culture-infused luxury Korea tours for American travelers. From flights to cinematic trip reels — we design every element as one seamless, unforgettable experience.

"Your Life's Texture, Our Signature Touch. Let it resonate."

### 1.3 Core Values

| Value             | Description                                                                                                                                                         |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| All-Inclusive     | Flights, accommodation, golf, dining, transport, and cinematic trip reel — one payment, everything included. No hidden costs. Pure focus on the experience.         |
| 5★ Premium Care   | From pre-departure 1:1 briefing to post-return trip reel delivery. Korean-speaking guides and 5-star service wrap every moment of your journey.                     |
| Curated Routes    | Sandpiper, The Crossings, Trump National LA — courses accessible only through local partnerships. Resonate takes you to an America no ordinary tourist experiences. |
| Lasting Resonance | A professionally edited cinematic trip reel + your next journey proposal. Even after the trip ends, the resonance continues.                                        |

## 2. Vision & Core Values

### 2.1 Founding Background

Structural Growth of the Korean Golf Market

- Golf Population: Approximately 6.24 million (~12% of population), growing at 8%+ CAGR
- Overseas Golf Demand: ~350,000 Korean outbound golf travelers annually; USA is #2 destination after Southeast Asia
- Premiumization Trend: Korean golfers shifting from "value-for-money" to "value-for-heart" premium golf experiences

The Rise of US Inbound Tourism to Korea

- K-Culture Boom: Global spread of K-POP, K-Drama, K-Beauty, and K-Food driving US travel demand
- US Visitors to Korea: ~1.1 million in 2023, projected to surpass 1.3 million in 2024
- Luxury Niche: Growing demand from high-income Americans seeking private, curated Korean experiences beyond traditional group tours

Founder's Competitive Advantage

- 20+ Years US Residency: Extensive network across California's premier golf courses, hotels, and transportation providers
- Golf Industry Hands-On Experience: Years working directly at US golf courses — tee time systems, course management, member services
- Bilingual & Bicultural: Fluent in Korean and English with deep understanding of both cultures
- Digital-Native: Website-based booking systems and digital marketing capabilities for efficient one-person operations

2.2 Growth Roadmap

| Phase      | Period    | Target                                                                                                                      |
|------------|-----------|-----------------------------------------------------------------------------------------------------------------------------|
| Foundation | 2026-2027 | Establish Busan Haeundae base, enter Korea→USA golf market, KRW 260M annual revenue                                         |
| Growth     | 2027-2028 | Product diversification, comprehensive travel agency upgrade (KRW 100M capital), USA→Korea inbound launch, KRW 500M revenue |
| Scale      | 2028-2029 | New routes (Japan, Vietnam), 5-person team, KRW 750M revenue                                                                |
| Expansion  | 2029+     | Asia's premier golf & travel platform, KRW 2B+ revenue                                                                      |

3. Business Description

Resonate Tour operates two core service lines.

3.1 Korea→USA Golf Tours (Outbound Golf)

Target: Korean high-net-worth golfers, annual income KRW 100M+ (ages 35-60)

Key Golf Courses (California):

| Golf Course         | Location                | Highlight                                           |
|---------------------|-------------------------|-----------------------------------------------------|
| Trump National LA   | Rancho Palos Verdes, CA | Pacific Ocean views, PGA championship course        |
| Sandpiper GC        | Goleta, CA              | Coastal links course, complimentary replay included |
| Hidden Valley GC    | Norco, CA               | Desert + valley blend, strategic layout             |
| The Crossings       | Carlsbad, CA            | Premier San Diego-area course                       |
| Alisal River Course | Solvang, CA             | Resort course near Danish-style village             |

Signature Packages:

| Package       | Duration | Rounds   | Price (USD/person) | Highlights                                                       |
|---------------|----------|----------|--------------------|------------------------------------------------------------------|
| Trump Premier | 6N/7D    | 4 rounds | \$9,752            | Trump National LA + Sandpiper 36H + Hidden Valley + 5-star hotel |
| Trump Elite   | 5N/6D    | 3 rounds | \$7,741            | Trump National LA + Sandpiper + Hidden Valley + 5-star hotel     |

Operating Model: Small private groups (2-8 persons), Korean-speaking dedicated guide, fully customizable itineraries.

3.2 USA→Korea Inbound Luxury Tours — Future Expansion

Target: American luxury travelers, \$150,000+ annual income, K-culture enthusiasts

Key Content:

| Category           | Program                                                                     |
|--------------------|-----------------------------------------------------------------------------|
| K-Culture          | Gyeongbokgung hanbok experience, K-POP dance class, Korean fine dining tour |
| Premium Golf       | Private rounds at Korea's finest — Nine Bridges, Pine Ridge, South Cape     |
| Wellness & Healing | Jeju private yacht tour, Busan Haeundae spa resort, temple stay             |
| Luxury Shopping    | Cheongdam-dong VIP shopping, Insadong antiques & art tour                   |
| Gastronomy         | Michelin-starred restaurants, Hanwoo omakase, traditional liquor tasting    |

Signature Packages:

| Package            | Duration | Price (USD/person) | Route                                                      |
|--------------------|----------|--------------------|------------------------------------------------------------|
| Korea Golf Premier | 11N/12D  | \$27,300           | Incheon→Jeju(4N)→Namhae(2N)→Seoul(5N), 4-5 rounds          |
| Korea Discovery    | 12N/13D  | \$27,580           | Seoul(4N)→Gyeongju(2N)→Busan(2N)→Jeju(4N), culture-focused |

※ USA→Korea inbound operations to launch after comprehensive travel agency upgrade (capital increase to KRW 100M + registration change, ~3-4 weeks). Initial 1-2 years focused on Korea→USA golf tours.

4. Market Analysis

4.1 Korean Golf Outbound Market

| Metric                         | Value              | Source                           |
|--------------------------------|--------------------|----------------------------------|
| Korean Golf Population (2024)  | ~6.24 million      | Korea Leisure Industry Institute |
| Outbound Golf Travelers (2023) | ~350,000           | Korea Tourism Organization       |
| Market Size                    | ~KRW 1.2 trillion  | Industry estimate                |
| USA Preference Ranking         | #2 (after SE Asia) | Golfzon Survey                   |
| CAGR (2021-2024)               | 12.5%              | Hana Institute of Finance        |

Target Segments:

| Segment            | Share | Annual Income | Travel Frequency |
|--------------------|-------|---------------|------------------|
| Premium Golfers    | 8%    | KRW 200M+     | 2-3x/year        |
| Passionate Golfers | 25%   | KRW 80M-200M  | 1-2x/year        |
| Leisure Golfers    | 42%   | KRW 50M-80M   | 1x/year          |
| Light Golfers      | 25%   | Below KRW 50M | Biennial         |

Resonate Tour Target: Premium + Passionate Golfers (33% of total market)

4.2 US Inbound Tourism Market

| Metric                      | Value                | Source                                |
|-----------------------------|----------------------|---------------------------------------|
| US Visitors to Korea (2023) | 1.086 million        | Korea Tourism Organization            |
| US Visitors to Korea (2024) | ~1.32 million (est.) | Ministry of Culture, Sports & Tourism |
| Avg. Spend Per Visitor (US) | \$2,400              | Korea Tourism Organization            |
| YoY Growth                  | +21.5%               | Korea Tourism Organization            |

Target Profile:

- Annual income \$150,000+ American luxury travelers
- K-culture enthusiasts (K-POP, K-Drama, K-Food)
- Seeking private, curated tours; budget \$15,000-\$20,000/person
- Primary origin markets: California, New York, Texas

4.3 Competitive Analysis

|                    | HanaTour Golf     | Modetour Golf     | PGA Tour Experiences | Resonate Tour                |
|--------------------|-------------------|-------------------|----------------------|------------------------------|
| Scale              | Conglomerate      | Conglomerate      | Global Brand         | One-Person Corp.             |
| Customization      | Medium (pre-set)  | Medium            | Low (standardized)   | Very High (fully customized) |
| Price Point        | Mid-High          | Mid-Low           | High                 | Premium (value-for-heart)    |
| Local Expertise    | Partner-dependent | Partner-dependent | Americas specialist  | Founder's direct network     |
| Digital Experience | Web + Offline     | Web + Offline     | Web-centric          | Digital-First                |

4.4 SWOT Analysis

|          | Strengths                                                                                                                                      | Weaknesses                                                                                                 |
|----------|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Internal | • Founder's cross-border network & expertise<br>• Digital-first low-cost structure<br>• Premium niche focus<br>• High customization capability | • Initial lack of brand recognition<br>• One-person scale limitations<br>• Customer acquisition challenges |
|          | Opportunities                                                                                                                                  | Threats                                                                                                    |
| External | • K-culture global acceleration<br>• Korean golf population growth<br>• Experience-driven luxury spending                                      | • Large agency market entry<br>• Airfare/oil price volatility<br>• Currency fluctuation risk               |

5. Establishment Plan

5.1 Establishment Overview

| Item              | Details                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------|
| Corporate Form    | One-Person Joint-Stock Company                                                              |
| Company Name      | Resonate Club Inc.                                                                          |
| Registered Office | Busan, Haeundae-gu                                                                          |
| Capital           | KRW 50,000,000 (fully contributed by Representative Director)                               |
| Issued Shares     | 2,000 common shares (par value KRW 5,000, issue price KRW 25,000)                           |
| Fiscal Year       | January 1 - December 31                                                                     |
| Officers          | Representative Director: Hee Sung Lee (auditor appointment exempted — capital below KRW 1B) |

5.2 Establishment Timeline

| Phase | Description                                                           | Duration   | Cumulative |

| Monthly Total             | 1,133,000     | 13,596,000   |

※ Variable costs (marketing, tour escorts, website) funded from operating revenue.

6.4 Total Required Funds

| Category                    | Amount (KRW)         | Notes                      |
|-----------------------------|----------------------|----------------------------|
| Capital (Paid-in)           | 50,000,000           | Mandatory for registration |
| Initial Establishment Costs | 4,100,000            |                            |
| 1-Year Fixed Costs          | 13,596,000           |                            |
| Working Capital Reserve     | 5,000,000-15,000,000 | Season/currency buffer     |
| Total Liquidity Required    | ~KRW 73M-83M         |                            |

Recommendation: Secure total initial liquidity of KRW 80,000,000 (~USD 59,000). KRW 50M as statutory capital, KRW 30M as operating funds and reserves.

7. Licensing & Permit Plan

7.1 Required Licenses

| No. | License / Permit                  | Legal Basis                              | Issuing Authority                    | Duration       |
|-----|-----------------------------------|------------------------------------------|--------------------------------------|----------------|
| 1   | Corporation Registration          | Commercial Act                           | Busan District Court, Eastern Branch | 1-2 weeks      |
| 2   | Business Registration             | VAT Act                                  | Haeundae Tax Office                  | 1 week         |
| 3   | Travel Agency Registration        | Tourism Promotion Act, Art. 4            | Haeundae-gu Office                   | 2-4 weeks      |
| 4   | Surety Insurance                  | Tourism Promotion Act Enforcement Decree | Seoul Guarantee Insurance            | 1 week         |
| 5   | Overseas Tour Escort Registration | Tourism Promotion Act, Art. 38           | Korea Tourism Organization           | Hire qualified |

7.2 Key Registration Requirements

| Requirement      | Standard             | Compliance Plan                                      |
|------------------|----------------------|------------------------------------------------------|
| Capital          | KRW 50M+             | Representative Director cash contribution of KRW 50M |
| Office           | Haeundae-gu location | Lease agreement (~KRW 350K/month)                    |
| Surety Insurance | KRW 50M (base)       | Seoul Guarantee Insurance (~KRW 1M/year premium)     |

|           |                         |                                          |
|-----------|-------------------------|------------------------------------------|
| Personnel | 1+ licensed tour escort | Freelance contract with qualified holder |
|-----------|-------------------------|------------------------------------------|

## 8. Revenue Model

### 8.1 Revenue Structure

Resonate Tour's core model is Cost-Plus Markup:

| Element             | Rate   | Description                                        |
|---------------------|--------|----------------------------------------------------|
| Base Markup         | 40%    | Applied uniformly to all package costs             |
| Premium Markup      | 50-60% | VIP custom solo tours, seasonal special packages   |
| Partner Commissions | 10-15% | Rebates from local partners (golf courses, hotels) |
| Airline Commissions | 3-7%   | Partner airline commissions                        |

### 8.2 Per-Package Profitability

#### Korea→USA Golf Tours

| Package       | Duration | Cost (USD) | Price (USD) | Profit/Person (USD) | Min. Guests | Profit/Group (KRW) |
|---------------|----------|------------|-------------|---------------------|-------------|--------------------|
| Trump Premier | 6N/7D    | \$6,966    | \$9,752     | \$2,786             | 2           | ~KRW 7.32M         |
| Trump Elite   | 5N/6D    | \$5,529    | \$7,741     | \$2,212             | 2           | ~KRW 5.80M         |

#### USA→Korea Inbound (Future)

| Package            | Duration | Cost (USD) | Price (USD) | Profit/Person (USD) | Min. Guests | Profit/Group (KRW) |
|--------------------|----------|------------|-------------|---------------------|-------------|--------------------|
| Korea Golf Premier | 11N/12D  | \$19,500   | \$27,300    | \$7,800             | 2           | ~KRW 20.5M         |
| Korea Discovery    | 12N/13D  | \$19,700   | \$27,580    | \$7,880             | 2           | ~KRW 20.7M         |

### 8.3 Annual Revenue Projection (Year 1, Conservative)

#### Line A: Golf Outbound

24 groups/year (2/month, avg. 4 guests), avg. profit ~KRW 6.5M/group → ~KRW 156M/year

#### Line B: Inbound Luxury (post-upgrade)

12 groups/year (1/month, avg. 2 guests), avg. profit ~KRW 20.6M/group → ~KRW 247M/year

#### Consolidated

| Item                   | Annual (KRW) |
|------------------------|--------------|
| Line A Gross Profit    | 156,000,000  |
| Line B Gross Profit    | 247,200,000  |
| Total Gross Profit     | 403,200,000  |
| Annual Operating Costs | (13,596,000) |
| Operating Profit       | ~389,600,000 |

### 8.4 3-Year Revenue Forecast

| Year               | Line A Profit | Line B Profit | Gross Profit | Op. Costs | Operating Profit |
|--------------------|---------------|---------------|--------------|-----------|------------------|
| Year 1 (2026 Sep~) | 156M          | 247.2M        | 403.2M       | 13.6M     | 389.6M           |
| Year 2 (2027)      | 312M          | 494.4M        | 806.4M       | 20M       | 786.4M           |
| Year 3 (2028)      | 468M          | 741.6M        | 1,209.6M     | 30M       | 1,179.6M         |

## 9. Marketing Strategy

### 9.1 Brand Positioning

Brand Keywords: Premium, Bespoke, Curation, Trust, Resonance

### 9.2 Marketing Channels

#### Digital Marketing (Primary)

| Channel          | Strategy                                                           | Monthly Budget |
|------------------|--------------------------------------------------------------------|----------------|
| Naver Search Ads | Keywords: "US golf tour", "California golf", "premium golf travel" | KRW 800K       |
| Instagram        | Course photography/reels, guest testimonials, influencer collabs   | KRW 500K       |
| YouTube          | Course preview videos, travel vlog content                         | KRW 300K       |
| Google Ads (US)  | "Korea luxury tour", "Seoul private guide", "K-culture travel"     | KRW 400K       |
| SEO              | resonateclub.com / resonatetour.com blog content                   | —              |

Network Marketing

| Channel                   | Description                                          |
|---------------------------|------------------------------------------------------|
| Golf Communities          | Golfzon, SmartScore, Field Members app communities   |
| Golf Magazines            | Golf Digest Korea, GQ Korea ads & sponsored content  |
| US Travel Agency Partners | 5 California boutique agencies for inbound referrals |
| Korean-American Networks  | LA, San Francisco Korean community organizations     |

Customer Experience Marketing

| Strategy              | Description                                           |
|-----------------------|-------------------------------------------------------|
| SNS Review Incentives | Discount coupon for Instagram/Naver reviews post-trip |
| Loyalty Program       | 10% discount on 4th package after 3 bookings          |
| Referral Rewards      | KRW 100K gift card per referred new customer          |

9.3 Marketing KPIs

| KPI                      | Year 1 Target |
|--------------------------|---------------|
| Monthly Website Visitors | 3,000+        |
| Instagram Followers      | 5,000+        |
| Inquiry Conversion Rate  | 10%+          |
| Net Promoter Score (NPS) | 50+           |
| Newsletter Subscribers   | 1,000+        |

10. Risk Analysis & Mitigation

10.1 Risk Assessment Matrix

| Risk                                     | Likelihood | Impact    | Rating     | Mitigation                                                                                      |
|------------------------------------------|------------|-----------|------------|-------------------------------------------------------------------------------------------------|
| (1) Initial customer acquisition failure | High       | Very High | ● Critical | Pre-secure bookings via personal network, early-bird discounts, influencer seed tours           |
| (2) Currency fluctuations                | Medium     | Medium    | ● Moderate | ±10% price buffer, advance payments to lock rates, natural hedge from bidirectional business    |
| (3) Airfare spikes                       | Medium     | Medium    | ● Moderate | Partner airline group rates, alternative flight options                                         |
| (4) Large competitor entry               | Low        | High      | ● Moderate | Hyper-personalized service differentiation, exclusive course contracts                          |
| (5) Natural disaster / pandemic          | Low        | Very High | ● High     | Full-refund cancellation policy, domestic product pivot capability, emergency liquidity reserve |
| (6) One-person operation risk            | Medium     | Medium    | ● Moderate | SOP documentation, freelancer pool of 2-3 guides, 2 full-time hires within 3 years              |

10.2 Crisis Response Protocol

11. 3-Year Roadmap

Year 1 (H2 2026 - 2027): Foundation

| Quarter | Key Goal          | Activities                                                        |
|---------|-------------------|-------------------------------------------------------------------|
| Q1-Q2   | Legal & Licensing | Corporation registration, travel agency license, surety insurance |
| Q2      | Platform Launch   | resonatetour.com launch, SNS account setup                        |
| Q2      | Partnerships      | 3 golf courses, 3 LA hotels, 2 transport companies                |
| Q3      | First Customers   | Early-bird promotions, influencer seed tours                      |
| Q3-Q4   | Full Marketing    | Search ads, SNS content, golf community engagement                |

KPIs: Registration complete, 3,000 monthly web visitors, 10 first package bookings, KRW 150M gross profit

Year 2 (2027): Growth

| Quarter | Key Goal          | Activities                                                       |
|---------|-------------------|------------------------------------------------------------------|
| Q1      | Product Expansion | Arizona golf courses, Japan golf pilot                           |
| Q2      | Hiring            | 1 marketing, 1 travel planner                                    |
| Q3      | Line B Launch     | 10 US boutique agency partnerships, comprehensive agency upgrade |
| Q4      | Tech Investment   | Booking/payment system upgrade, CRM deployment                   |

KPIs: KRW 500M gross profit, 200 cumulative customers, 30% repeat rate, 20K SNS followers

Year 3 (2028): Scale

| Quarter | Key Goal            | Activities                                         |
|---------|---------------------|----------------------------------------------------|
| Q1      | New Routes          | Korea↔Vietnam golf tours                           |
| Q2      | Brand Elevation     | Golf + luxury media collabs, VIP membership launch |
| Q3      | Physical Presence   | Small Haeundae lounge for client meetings          |
| Q4      | Global Partnerships | PGA Tour Experiences, Asiana Airlines VIP lounge   |

KPIs: KRW 750M gross profit, 500 cumulative customers, 5-person team, 3 active routes

## 12. Conclusion

### 12.1 Business Feasibility

#### Market

- 6.24M Korean golfers with outbound demand growing at 12.5% CAGR; clear premiumization trend
- 1.3M+ US visitors to Korea annually; K-culture-driven luxury inbound demand surging
- Premium niche market underserved by large travel agencies

#### Competitive Advantage

- Founder Hee Sung Lee's 20+ years US residency, golf course hands-on experience, local network, and bicultural fluency — irreplaceable competitive edge
- Digital-first one-person model enables minimal fixed costs with high profitability
- Cost-plus 40% markup ensures predictable revenue structure

#### Financial

- Initial requirement of ~KRW 80M with annual fixed costs of ~KRW 13.6M — industry-low operating costs
- Conservative scenario (12 groups/year) still yields Year 1 operating profit of ~KRW 51.4M
- Additional growth engine upon comprehensive travel agency upgrade

### 12.2 Key Success Factors

1. Niche Dominance: Focus on hyper-personalized premium golf & travel — difficult for large agencies to replicate

2. Founde

### 12.3 Final Statement

This business plan outlines the establishment of Resonate Club Inc. in Haeundae-gu, Busan, in September 2026, with registration as a Domestic & International Travel Agency under the Tourism Promotion Act. Through the Resonate Tour brand, we will set a new standard for premium Korea↔USA travel.

Resonate Tour is not just a travel agency — we are "curators of moments where experience resonates," committed to advancing the premiumization and globalization of Korea's travel industry.

"Your Life's Texture, Our Signature Touch. Let it resonate."

Prepared By: Hee Sung Lee

Date: Aug

※ This business plan supports Domestic & International Travel Agency registration under Tourism Promotion Act, Article 4. The company will start with KRW 50M capital, with plans to increase to KRW 100M and upgrade to a comprehensive travel agency. All financial figures are estimates as of August 1, 2026.
